It's almost here! The final meeting before our summer break is less than a month away. I hope you've already made plans to attend but if you haven't please take a look at the meeting notice inside this issue of The Shakeout.

The last time we were together as a chapter was in beautiful Savannah for the Southeastern Regional. I am thrilled to report that it was a tremendous success. The reviews were glowing and there were an abundance of positive comments on every aspect of the event. I would like to thank the members of both the Birmingham and Tennessee chapters for their support and attendance. I would also like to offer my appreciation and congratulations to the Regional planning committee for their exceptional effort. This group contributed literally months of their time to make the Regional the success it was. Thank you again, for all of your hard work.

I was glad to see so many of you earlier this month at the Cast Expo and Metalcasting Congress in St. Louis! Just walking around the show floor I could tell that our chapter was well represented! I trust that it was a successful show for those of you that were able to attend. It was also a successful show for our chapter in that we gained a number of new members through their registration for the Expo. If you are a new member we welcome you and hope that you join us for a future meeting!

Our next meeting will be on May 16th and 17th at the Waynesville Inn Golf Resort and Spa. On Thursday the 16th we will host our captain's choice golf tournament as well as our dinner and annual business meeting. The Roy Eggleston Memorial Golf Tournament will be held on Friday morning with a luncheon and awards presentation at 2pm. Please get registered as soon as possible so we can plan for your attendance. The registration form is inside this issue of The Shakeout. I would like to thank Don Brown for his time and effort in planning this meeting.

In closing, I would like to pause and thank everyone who helped to make the 2012-2013 meeting season successful. First I would like to thank our members for their attendance at each meeting. Without your support none of what we do would be possible. Next I would like to thank all the volunteers that organized and planned meetings. The success of a chapter is a direct result of the work done by its volunteers. To those of you that served on the board of directors and on the Regional planning committee, on behalf of the chapter, I offer our sincere gratitude.

I look forward to seeing each of you in Waynesville!
