Conbraco Industries

Hello to all AFS Piedmont Chapter Members and Friends

Now that my duty as Piedmont Chairman is almost completed I would like to take a moment and thank the board members for their support. Without their efforts we could not have accomplished the chapter goals and have as a successful year as we have had. A Resounding Thank You.

This year AFS Piedmont Chapter fulfilled its commitment to VT Fire with donations totaling \$40,000. This money will be used to help pay off the VT Fire mortgage. We also completed our commitment to the FEF with a donation of \$5000, which goes towards the scholarship endowment fund. We also were honored to give an additional \$3000 in scholarships to VT Fire students at the March meeting. If you attended this past meeting you can see that this money is funding some of the brightest students around. You should feel good knowing our industry is in their capable hands. Finally we will be awarding a \$1500 scholarship to a future college student. This is why the AFS Piedmont Chapter exists, to support the education of our future industry leaders. We thank all the chapter members and friends who helped make these goals reality.

Gosh I can't believe how quickly this year has gone by. It seems that just a few months ago I was worrying about how am I going to get all this done. I think this is a common thought for all soon to be AFS Piedmont Chairman. Well, to overcome pure panic I kept relying on 2 bits of wisdom that former chairmen shared with me. First Dave Sherman shared this with me at the last May outing, "The time will fly by", no truer words have ever been said. The other was by Don Brown, "It will all work out" which is of utmost importance to rely upon when you are planning and executing each meeting. I offer these words of encouragement to all future AFS Piedmont Chairman.

Now for a special announcement I am sure everybody will want to share in. Our friend and long time member Bob Currie of Charlotte Pipe will be hanging up his hard hat and replacing it with a golf hat. Yes, this is correct Bob intends to retire July 1st 2014. I am sure all who have met or worked with Bob will want to wish him well and good luck with his future endeavors. Bob we wish to thank you for the many years of service to the chapter and for your friendship.

I would like to thank all those that attended meetings this past year and to the many presenters for sharing their knowledge. Also wish to thank Leo Baran for attending the March meeting and sharing with us inspiring words with his presentation "Ambassador of the Casting Process". If you saw his presentation you can take heart the Piedmont Chapter is in lockstep with the AFS National Organization in our efforts to reach out and educate the future Foundry Men and Women.

Leo asked that I share this with you.

"Please congratulate your fellow officers and directors! The Piedmont Chapter can be very proud of their efforts locally and regionally. And as for Dr. Alan Druschitz - you have a real "gem!" Take good care of him! Thanks for the opportunity to attend and present."

We have a busy spring ahead of us so please mark your calendars and make plans to attend the next few meetings. The AFS Southeastern Regional is fast approaching (April 23rd thru 25th) in Chattanooga Tn. Please see the AFS Tennessee chapter website for more details. Also set aside May 15th and 16th for the annual Piedmont Chapter May outing. See the meeting announcement inside this Shakeout edition for more details. Sign up and reserve your room soon, as the hotel confirmation date is April 14th. As always Don Brown will have prepared a wonderful meeting for us to enjoy fellowship with new friends and build upon the memories with old friends.

Just a few more things to think about as you are making plans to attend future meetings. Ask a board member how you can serve the chapter. I promise you that it worth your time and efforts. Also bring a friend of the industry or co-worker with you to future events, introduce them to our members and encourage them to join the AFS. I cannot think of a better way to grow the Piedmont Chapter and the AFS National Organization than by YOU demonstrating your enthusiasm for the good work WE do.

In closing I would like to thank the Piedmont Chapter and Board Members for allowing me to lead them this past year. It truly was an honor to be your chairman.

Best Regards

Greg Southerland

AFS Piedmont Chairman

CHECK OUT WHAT'S NEW FOR MEETING REGISTRATION!!!!!!

Beginning with our January 2014 Chapter Meeting, you will be able to register **ON-LINE** if you choose to do so! The Chapter Board has approved the development and use of a new tool that will really automate and streamline our Registration process for our members, guests, and friends of the Piedmont Chapter who prefer to do things digitally. We are using a system managed by EVENTZILLA©.

You'll be receiving your regular Meeting Announcement emails from Mike Looby, and included in the email message will be a link for you to go directly to our Chapter Meeting Registration "event" site within Eventzilla©. It's easy to use, and user friendly. At the end of the Registration process, you'll have a choice of paying for your registration by credit card. Payments are handled through PayPal™, so it's also easy and very secure. If you'd rather pay by check, you can select that option instead, and mail in your check.

If you'd like to continue sending your paper Registration Form and check by US Mail, you can certainly continue to do that- no problem.

We're here to serve, and to help make it easy for our Members, their Guests, and Friends of the Piedmont Chapter to attend and benefit from the Chapter Meetings and activities. Please communicate any feedback, comments, suggestions, etc. to me either by email: tkostilnik@comcast.net, or by phone: 706-302-4809.

Ted Kostilnik
Registration Chairman

AFS Piedmont Chapter Meeting Notice

May 15th and May 16th, 2014

Holiday Inn Hilton Head

1 South Forest Beach Drive, Hilton Head, S.C. 29928

Karen Dunegan (Dune4of5@aol.com) at Eureka Foundry, P.O Box 6039, Chattanooga, TN 37401

By April 4, 2014. THANK YOU for supporting AFS Southeast Regional.

Calling All Hands on Deck!!!!!!

If you are a new member of the AFS Piedmont Chapter, or you are a long time member looking for a cause to volunteer your time towards, then you are most welcome to let your interests be known!

Please don't be shy or worse yet assume that you don't have the skills or the time to do any volunteer SERVICE for your Chapter.

Make contact with any of your Chapter Officers or Directors listed on the front cover page of this newsletter and let us know you are interested in stepping forward! It doesn't take a lot of time, and it usually doesn't cost anything. This would even be a great way to participate in the activities of your Chapter even if you are unable to attend the scheduled meetings throughout the year.

We have a multitude of activities this year and we are not ashamed to ask for HELP. We are hosting the Southeast Regional Conference, we have meeting arrangements to be cared for, we have a mission of Member Outreach to accomplish, etc. With the use of modern technologies, anyone can participate no matter where you are!

“Volunteering” is much better than being “Assigned” to do something. It is much more rewarding!

DON'T SIT ON THE SIDELINES – BE AN ACTIVE CHAPTER MEMBER!!!!

Support the Chapter's Mission of Education

Your Chapter website address is www.afspiedmont.org

Several companies have found value in being a Sponsor of the Chapter Website and by doing so have their company name and other key information shown on a special page of the Chapter Website.

The support received through monetary donation by the companies sponsoring the website is 100% used to further the Mission of Education that your Piedmont Chapter is dedicated to.

Metal Casting producers and Suppliers are invited and encouraged to participate in this worthy cause. The cost is minimal and the benefits can be tangible.

Please consider showing your support for the activities of your Piedmont Chapter by becoming a Website and Education Program Co-Sponsor.

Getting started is easy! Just contact Ryan LaCoursiere and he will take very good care of you!!

The future employees, managers, and owners in this metal casting industry are looking for you- and they don't use the Yellow Pages. They surf the NET, and linking up through the Piedmont Chapter will help them find you!!

Birmingham Chapter
